Better Be Home Soon

George Canyon

Somewhere deep inside something's got a hold of you. It's pushing me aside. See it stretch on forever.
I know I'm right for the first time in my life. That's why I tell you, you better be home soon. It's stripping back the cause of lies and deception, back to nothing else like a week in the desert. I know I'm right for the first time in my life. That's why I tell you, you better be home soon. Don't say no, don't say nothing's wrong, cause when you get back home, baby I'll be gone.It would cause me pain if we were to end it, but I could start again. You can depend on it. I know I'm right for the first time in my life. That's why I tell you, you better be home soon. That's why I tell you, you better be home soon, soooon.
