Marie

Justin Hayward

We're waiting for the sunrise
Marie
Marie.
We're standing in the moon's eyes
Marie
Marie.
And when I tell you that I'll always be around
I'll be around
And when I tell you that it's true love that we've found
It's what we've found
The bad times and the good
Worries and the fights
A man needs a lover that can see him through the night.We're waiting for the sunrise
Marie
And me.
We're standing in the moon's eyes
Right or wrong
Weak or strong.
And when I tell you that I'll always be around
I'll be around
And when I tell you that it's true love that we've found
That's what we've found
The bad times and the good
Worries and the fights
A man needs a lover that can see him through the night.We're waiting for the sunrise
Marie
And me.
We're standing in the moon's eyes
Right or wrong
Weak or strong
YeahMarie
And me.
Right or wrong
Weak or strong
Marie.
