Boy Meets Girl

Milk Inc.

You gave me,
M my sweetest memory.
You showed me,
T things I couldn't see.
You took me,
To places far away.
Now I have to leave,
W why can't I stay?Take me back,
Where boy meets girl.
Take me back,
To our own world.
Take me back
And say that this won't end...
It won't endYou told me,
It's alright to be free.
You showed me,
How easy it could be.
You took me,
To places far away.
Now I have to leave, why can't I stay?And as the days go by I wonder,
If boy meets girl again.
And if they do, I hope it's you,
And we'll be together again.
