On the Run

OMC

A why did I do it, a why did I do it
I asked myself a hundred times and then I start to cry
It's up to my neck now I'm runnin' like a dog
I can't remember how it started
But it's too late to turn back the clock
I gotta keep on, and on, and on, and onOh my heart's prayin' for a heart attack
I'm gonna collapse but I better not
I'll get a few years for the things I've done
I'll never see the sunrise no more what the hell
I'm gotta keep onFighting for my sanity and for family
And for my baby, oh for my baby
Bullshit aside yea I knew how to play the game right
But this time I made a mistake and I'm gonna pay the price
I'd rather be payin' to the grim reaper, than the law keeperI'm runnin', I'm runnin', I'm runnin', out of time
Too late to waste time in haste
I fell to my knees to pray to your God
But your God wasn't there for meAnd so I prayed to myself for long life and stamina
I do believe I was startin' to lose my nerve and my mind
I heard a little voice screamin'
If you do the crime you will send to the time
If you do the crime you will send to the time
If you do the crime you will send to the timeShit I won't bow down to that
A belly of a priest doesn't have his name on his slip no
I gotta keep on movin' and groovin', I gotta keep on movin' and groovin'
I gotta keep my mind clear for the devils and the demons I will not fear
The devils and demons I will not fearI'm on the run, 10 more minutes and I'm gone
I'm on the run, 10 more minutes and I'm goneI'm on the run, 10 more minutes and I'm gone
I'm on the run, 10 more minutes and I'm gone
I'm on the run, 10 more minutes and I'm gone
I'm on the run, 10 more minutes and I'm gone
