

Falling

RHODES

Falling in love with love is falling for make-believe
Falling in love with love is playing the fool
Caring too much is such a juvenile fancy
Learning to trust is just for children in school
I fell in love with love one night when the moon was full
I was unwise with eyes unable to see
I fell in love with love, with love everlasting
But love fell out with me
Oh, I fell in love with love one night when the moon was full
I was unwise with eyes unable to see
I fell in love with love, with love everlasting
But love fell out with me
