Rid of Me

The Fold

This is real to me
And its running through my veins
Driving you away, awayGetting rid of me
I am uttering these words
Never to return
This isnt easy for me eitherThis is the way it will be
Youll find it strange
How little youll miss meHeres to letting go
Heres to letting go
Of all that held me down
Getting rid of meHeres to letting go
Heres to letting go
Of all that held me down
Getting rid of meI suppose that I should
Get a little deeper with you now
Its kinda like the feeling of watching
Everything around you tumble downBut you dont seem to mind
In fact the ashes seem
To be too beautiful for words
Never to return
I need to know youre with me nowHeres to letting go
Heres to letting go
Of all that held me down
Getting rid of meHeres to letting go
Heres to letting go
Of all that held me down
Getting rid of meSo Im, so I'm, so I'm, so I'm
So Im ready now
Get rid of me
Get rid of me
Get rid of meGet rid of me
Get rid of me
