

# Rid of Me

## The Fold

This is real to me  
And its running through my veins  
Driving you away, away Getting rid of me  
I am uttering these words  
Never to return  
This isnt easy for me either This is the way it will be  
Youll find it strange  
How little youll miss me Heres to letting go  
Heres to letting go  
Of all that held me down  
Getting rid of me Heres to letting go  
Heres to letting go  
Of all that held me down  
Getting rid of me I suppose that I should  
Get a little deeper with you now  
Its kinda like the feeling of watching  
Everything around you tumble down But you dont seem to mind  
In fact the ashes seem  
To be too beautiful for words  
Never to return  
I need to know youre with me now Heres to letting go  
Heres to letting go  
Of all that held me down  
Getting rid of me Heres to letting go  
Heres to letting go  
Of all that held me down  
Getting rid of me So Im, so I'm, so I'm, so I'm  
So Im ready now  
Get rid of me  
Get rid of me  
Get rid of me Get rid of me  
Get rid of me
