All I Want

Toad The Wet Sprocket

Nothing?s so loud
As hearing when we lie
The truth is not kind
And you?ve said, "Neither am I"
And the air outside so soft
Is saying everything, everything
All I want is to feel this way
To be this close, to feel the same
All I want is to feel this way
The evening speaks, I feel it say
Nothing?s so cold
As closing the heart when all we need
Is to free the soul
But we wouldn?t be that brave I know
And the air outside so soft
Confessing everything, everything
All I want is to feel this way
To be this close, to feel the same
All I want is to feel this way
The evening speaks, I feel it say
And it won?t matter now
And whatever happens to me
Though the air speaks of all we?ll never be
It won?t trouble me
All I want is to feel this way
To be this close, to feel the same
All I want is to feel this way
The evening speaks, I feel it say
And it feels so close
Let it take me in
Let it hold me so
I can feel it say
