

Beginning Again (Unmastered)

John Frusciante

I know you're a slave Kid
And you were my slut
Bleed in my blood
You'll be on both ends
I'm me again Days can be erased
Invisibilities traced
One day you'll face
Days you never saw
They rush ahead I know of the space kid
I stumble through the mazes
I fold the pages
Wherever I
Wanna begin again
No, now, it swears to be full
