Don't Know What to Do

Satanic Surfers

I can't believe
What I see with my own eyes is impossible to me
Must be a nightmare
Close my eyes
Count one two three
But it's not gone
It's still there right in front of me
So I reach out with my hand
How the fuck can my skateboard be broken
I don't understandI don't know what to do
Now that my skateboard is broken in twoI feel hurt inside
'Cause since you've been done
Everything that reminds me of you makes me cry
And now that I'm without you and my skateboard
I wish that I could dieI don't know what to do
Now that my skateboard is broken in two
I don't know what to do
Now that my skateboard is broken in two
I don't know what to do
Now that my heart is broken in two
I don't know what to do
I'm so lonely without you
