

# Love Ain't Worth Making

[Deana Carter](#)

Why did you have to forsake me?

Couldn't you tell me goodbye?

I've been wakin' up lately with tears in my eyes  
Love ain't worth making when it makes you the fool

A chance ain't worth takin'

My heart is breakin' when she's holdin' you  
You don't know how happy you made me

Couldn't you give it one more try?

I know her arms are waitin' to hold you tonight  
Love ain't worth making when it makes you the fool

A chance ain't worth takin'

My heart is breakin' when she's holdin' you  
So go on and pack up what's left

Of all that we've shared

You're leavin' me lonely tonight  
Love ain't worth making when it makes you the fool

A chance ain't worth takin'

My heart is breakin' when she's holdin' you  
A chance ain't worth takin'

My heart is breakin' when she's holdin' you
