Can You Help Me

Vertical Horizon

Can you finally reach me - out beyond the blue?
I've been gone a long time - far away from you.
I can see that love alone is not enough,
If you don't believe in what you are and what you've got.
The tears you cried have come to my eyes.
Can you, can you help me?
('cause I went away.)
Can you, can you help me?
(or is it too late?)
Can you, can you help me?
(I'm tryin' to get through.)
Can you, can you help me?
('cause I wanna love you.)
Once you've been defeated, - Once you've been defined,
Once your will is broken down, - It's so hard to feel alive.
But I believe somewhere out among the fields,
I can see what is false and what is real.
You're one face that holds me in place.
I can see you.

Can you, can you help me?
('cause I went away.)
Can you, can you help me?
(or is it too late?)
Can you, can you help me?
(I'm tryin' to get through.)
Can you, can you help me?
('cause I wanna love you.)
You say hush, ev'ryone heals in time.
So hush, hush, ev'ryone heals in time.
Hush, ev'ryone heals in time, time.
So hush, hush, ev'ryone heals in time.
So, can you, can you help me?
('cause I went away.)
Can you, can you help me?
(or is it too late?)
Can you, can you help me?
(I'm tryin' to get through.)
Can you, can you help me?

('cause I wanna love you.)
I wanna love you.
