

# Trust

## Thrice

Mix the chemicals right, dear  
Mix the chemicals right  
Got the margin of error is slight Mix the chemicals right, dear  
Mix the chemicals right  
Yeah, you know that you could save my life There is a risk  
There's a risk when your dealing with love  
You could snap my neck  
Any speed you drive can be dangerous Mix the chemicals right, dear  
Mix the chemicals right  
Yeah, you know there's a fine line between Mix the chemicals right, dear  
Mix the chemicals right  
'Cause I know what betrayal can mean When this frame fails me  
Will I trust you to carry me through?  
I know there's no such thing as safety  
But I know what a promise can do Will I trust you?  
Will I trust you to carry me through?  
I will trust you  
'Cause I know what a promise can do
