

# Thank You For This

## Mastodon

Let's throw down the love  
I catch eyes open far and wide  
Ability  
It's intense  
Golden  
Lace it fills the magic flies  
I wonder where is this list  
Give in next time  
This will be a blast  
Ability  
It's intense  
Golden  
Lace it fills the magic flies  
I wonder where is this list
