

# Turn the Music Up

NF

Red bull in my hands  
Feels like I got wings  
Lot of people in my face  
But I can't hear a thing  
It's like my head's up in the clouds  
Head's up in the clouds  
And I ain't comin' down, no  
Just turn the music on  
Just let me get lost  
I swear that I'm a lose it if somebody turns it off  
What are you out your mind?  
You must be out your mind

Just turn the music up  
Turn the music up  
Turn the music up

Snapback on my head  
I'm so motivated  
Nike's on my feet  
Understand the situation  
This is not a game  
This is not a game  
You ain't goin' bring me down, no  
Yeah, I mean what I say  
And I say what I mean  
You best wipe off that hater look before you make me scream  
What are you out your mind?  
You must be out your mind

Just turn the music  
Turn the music up  
Turn the music up

I get the adrenaline  
Rhyme like I'm a veteran  
Fine I been ahead of the game  
No way I'm settlin'  
Drained but I'm a get it in  
Lame this is a medicine

Hey, you get the medic kit  
Beats 'cause I don't let 'em live  
Fast better keep peddlin'  
Blast you with the pen again  
Laugh, but I'm ahead of them  
Act, like I don't get it then  
That is when I enter in rap  
Until I never can cash it is  
Irrelevant passion is the element  
Laps around these other men  
Pass 'em who you runnin' with  
Facts is what I'm comin' with  
Back, but I ain't never left  
Snap and I will never get  
Wack you better get a grip  
Last isn't a medal it's  
Glass and I'm a shatter it  
Who do you think you battlin'?  
Who do you think you're laughin' at?  
I am not a comedian  
Man it don't even matter  
If you don't know what I'm sayin'  
You better do what the chorus says  
You don't know what the chorus is

Turn the music up  
You must be out your mind  
Turn the music up  
You must be out your mind  
Turn the music up  
You must be out your mind  
Turn the music up  
You must be out your mind  
Turn the music up  
You must be out your mind  
Turn the music up  
You must be out your mind  
Turn the music up  
You must be out your mind  
Turn the music up

Turn the music  
Turn the music  
Up

You must be out your mind  
You must be out

---
