

I Look So Good

Jessie James

Mmmm yeahhh mmm.
Hey boy I would have thought that when you left me
I'd be broken with my confidence gone, so gone
Hey boy I would have thought that when you said
That you don't want me
I'd feel ugly and sense something was wrong
Standin' front of the mirror, my skins never been clearer
My smile has never been wider. I look so good without you,
Got me a new hairdo
Looking fresh and brand new
Since you said "that were through"
Done, with your lies,
Baby now my tears dried
You can see my brown eyes
Ever since you said goodbye
I look so good, I look so good without you
I look so good, I look so good without you
Hey I never would have thought that when you left me
I'd feel sexy and so good in my skin again
And I never would have known that I'd be dreamin' so much better without you in my head
Standin' in front of the mirror, my clothes never fit better
My, I've never been louder
I look so good without you
Got me a new hairdo
Looking fresh and brand new
Since you said "that were through"
Done, with your lies
Baby now my tears dried
You can see my brown eyes
Ever since you said goodbye.
I look so good, I look so good without you
I look so good, I look so good without you.
Now baby my bodys lookin' better than before
Ain't bitin' my nails since you walked out of the door.
I realized now I deserve so much more, than what you give
Than what you give, ohh ohh
I look so good without you
Got me a new hairdo
Looking fresh and brand new
Since you said "that were through"
I look so good without you,
Got me a new hairdo
Looking fresh and brand new
Since you said "that were through"

Done, with your lies
Baby now my tears dried
You can see my brown eyes
Ever since you said goodbye I look so good without you
Got me a new hairdo
Lookin' fresh and brand new
Since you said "that we're through"
Done, with your lies
Baby now my tears dried
You can see my brown eyes
Ever since you said goodbye
I look so good, I look so good without you
I look so good, I look so good without you
