

Deja Vu

Francis Wolf

DÃ©jÃ Vu

I Woke Up Just The Other Day
And I Felt The Same Old Way
Everything I Seem To Do
Leads Me To You

And I Know I've Been Here Before
And I Feel It Even More
My Days Just Seem To Loop
Around You

And Everywhere I Look
I Look And See The Ghost Of You
Even When I Dream
I Dream Of You
And Every Day I Live
It's Like A Sequel To Me And You
Making A Mockery Of DÃ©jÃ Vu

I Decided On What To Do
The Opposite Of What I Knew
Every Path I Took
Was Meant To Be New

But When I Reached The End
I Was Exactly Where I Began
Stuck In A Crazy Loop Around You

And Everywhere I Look
I Look And See The Ghost Of You
Even When I Dream
I Dream Of You
And Every Day I Live
It's Like A Sequel To Me And You
Making A Mockery Of DÃ©jÃ Vu
Of DÃ©jÃ Vu
