Friend Like You

Big Daddy Weave

I woke up this morning
And looked out my window
I could see the sun shining down on me
It reminded me of You
And of all that You do
And of all the love that You've shown to meThank You Lord
Oh thank You Lord
I am so thankful for a friend like YouYour mercy oh Lord is new every morning
Your wisdom is waiting for me to ask
Though I might stumble
Though I lose my step now
Your grace is gonna cover what I lack
Thank You Lord
Oh thank You Lord
I am so thankful for a friend like YouJesus Your love is better than life to me
Your goodness is always by my side
And why You love me is hard for me to see
But I love You Lord 'cause You've been so good to meThank You Lord
Oh thank You Lord
I am so thankful for a friend like YouThough I may never be a scholar with a fancy degree
One thing I know for sure is that I love You
And You love me Lord
Thank You Lord
Oh thank You Lord
I am so thankful for a friend like YouA friend like You (repeat)
