

# R U Kiddin' Me (Live At Gelredome)

## Anouk

Sure got my piece of Heaven  
An angel in disguise  
Gone wild  
But I thought you were a man  
Who knew right from wrong  
That's why I really don't understand  
Why he's with her  
It's killing me  
What has she got that I don't have?  
Is it the way she looks at you  
Laughs with you? Can she  
Does she make you beg for more?  
This is hurting  
What has she got that I don't have?  
I tried to call him  
Anytime anywhere  
But he's never there  
So I went to his place  
And waited all day  
So he would explain it to me  
And this is what he said:  
There is nothing left to say  
I had my fill; I went away  
Your crying eyes won't change a thing  
It was just a fling  
Well, how could an angel break my heart?  
He said: We could still be friends  
Are you kidding me?  
What has she got that I don't have?  
Is it the way she looks at you  
Talks to you? Can she  
Does she make you beg for more?  
This is hurting  
What has she got that I don't have?  
But twice every year  
When he's in tears  
When he loses his mind  
And can't help but cry  
He'll call me, and then

I am better then

I am
