It Ain't None Of Your Business

Missing Persons

Don't tell me what to do
And don't you ask me where I'm going to
I have to do what's right for me
Why is it so hard for you to seeTryin' to get along with you is not an easy thing to do
Your suspicious nature drives me mad
You're wrecking everything that we hadIt ain't none of your business where I'm goin'
It ain't none of your business who I'm seein'
It ain't none of your businessSo stop fooling around with my life
you can't possibly know what it's like to be inside of me
I'm on my own why can't you just leave me aloneI have always trusted you
If I can do it you can, too
What I do is my concern
Now you're just gonna have to learnIt ain't none of your business where I'm goin'
It ain't none of your business who I'm seein'
It ain't none of your business what I'm doin'
It ain't none of your business
It ain'tYou've got to take me serious
You're makin' me delirious
I feel like someone who's in jail now let go of my shirt tailThis kind of relationship is on the rocks
I can't take it anymore
You're driving me right out of the doorIt ain't none of your business where I'm goin'
It ain't none of your business who I'm seein'
It ain't none of your business what I'm doin'
It ain't none of your businessIt ain't
It ain't none of your business
It ain't none of your business
It ain't none of your businessIt ain't none of your business
It ain't none of your business
It ain't none of your business
It ain't none of your business
It ain't, it ain't none of your business
