The Glorious Land

PJ Harvey

How is our glorious country ploughed?
Not by iron ploughs
How is our glorious country ploughed?
Not by iron ploughsOur land is ploughed by tanks and feet
Feet marching
Our land is ploughed by tanks and feet
Feet marchingOh America, oh England
Oh America, oh EnglandHow is our glorious country sown?
Not with wheat and corn
How is our glorious country sown?
Not with wheat and cornHow is our glorious land bestowed?
How is our glorious land bestowed?Oh America, oh England
Oh America, oh England
Oh America, oh England
Oh America, oh EnglandWhat is the glorious fruit of our land?
Its fruit is deformed children
What is the glorious fruit of our land?
Its fruit is deformed childrenWhat is the glorious fruit of our land?
Its fruit is orphan children
What is the glorious fruit of our land?
Its fruit is deformed children
