

# When Jah Arise (feat. Lutan Fyah)

## Midnite

From the east to the West  
To The North to the South  
People then feel it all along  
Resistance to long way strive I don't need a problem balance organiser  
When Jah arise, when Jah arise  
When Jah arise, when Jah arise  
When Jah arise, when Jah arise  
When Jah arise In a tough situation I keep my mind at ease  
No worry, baby I ain't deceased  
No I'm alright  
...then I see mountain Bike  
All Mighty jah who is impartial  
Stand up and don't fuck with ...  
The reason after sun, save us all  
I don't need a problem balance organiser  
When Jah arise, when Jah arise  
When Jah arise, when Jah arise  
When Jah arise, when Jah arise  
When Jah arise And you've seen nothing yet  
We're just deciding while we leave them still untouched  
...no matter where my truck is  
I keep going on...  
So it is jthat we know each other  
If it was announced by someone  
Let the generation lessons assemble  
Your words became relevant and simple  
No more verse and second class  
I don't need a problem balance organiser  
When Jah arise, when Jah arise  
When Jah arise, when Jah arise  
When Jah arise, when Jah arise  
When Jah arise  
When Jah arise, when Jah arise
