

I Dont Know How It Feels To Be U

Robin Thicke

I don't know
I don't know how it feels to be you
Though I tried my best to understand
What you're going through
I don't know how it feels to you
Though I try to learn your step
I don't know what makes you dance
I don't know what turns your gray skies back to blue
Though I try to see your side
I swallow all my pride
There is no way I can take a step in your shoes
Cause I don't know
I don't know how it feels to be you
Though I tried my best to understand
What you're going through
I don't know how it feels to you
So lay your cheeks upon my chest
Tell me everything that haunts your mind oh oh oh
I may not have all the answers
But if you let me I can at least try
And when I'm sure I've had enough
The angels tell me just to wait awhile wooh oh oh
And baby I am sorry
For being so hard on you sometimes oh yeah yeah
But I don't know
I don't know how it feels to be you
Though I tried my best to understand
What you're going through
I don't know how it feels to you oh yeah yeah
Da da da da
Da da da da
Come on baby, yeah
You know that I love you (da da da da)
You know that I try baby (da da da da)
You know that I need you
All my life babe
I don't know
I still don't know how it feels to be you

Though I tried my best to understand
What you're going through
I don't know how it feels to you
And everyday I ask myself
Are we really on the very same page
And everyday I wonder
Is there something that I'm supposed to say
I wonder baby
Cause you and I are so in time
Maybe I'm just picking the wrong lines
Cause I feel it in my heart
You know I adore you
But sometimes you can't even look me in the eye
Why, oh why, tell me why
I don't know
I don't know how it feels to be you
Though I tried my best to understand
What you're going through
I don't know how it feels to you
Da da da da
Da da da da
Oh baby
Come on baby, come on
And know that I love you (da da da da)
You know that I try baby (da da da da)
You know that I need you
All my life babe
Can't walk in your shoes (da da da da)
I can't sing your blues (da da da da)
You know I can't read your mind
I can't see life through your beautiful eyes
But you know that I love you (da da da da)
You know that I try, try, try (da da da da)
You know that I need you
Tell me why baby
Cause I don't know (I don't know)
I still don't know (But I'm trying baby)
I don't know (I don't know)
I still don't know how it feels to be you
I don't know
