Hey Love

Johnny Mathis

Hey love, where you going to?
You're not sleeping anymore, you're just trying to
Stay love, where you running to?
Awful happens all the time, don't let it kill youEasily with me
I feel as fast as I can see
Afraid of the horror stories
I fall down on my kneesCome away, come away
From all these things unheard
If a chosen word has got you cornered
Then it's a lesson learned
Like close the book before it burns you
Come away, come away
From all these things unseenAt the price you paid I promise
You won't believe anything they say
Belief will only disappoint you
In case you never noticed
The path you never chose has chosen you.
Afraid to face and break it
The secret
