

# Alone And Forsaken

Dave Matthews

We met in the springtime when the blossoms unfold  
The pastures were green and the meadows were gold  
Our love was in flower as summer grew on  
Her love like the leaves, now have withered and gone  
The roses have faded, there's frost at my door  
The birds in the morning don't sing anymore  
The grass in the valley is starting to die  
And out in the darkness the Whippoorwills cry  
Alone and forsaken by fate and by man  
Oh Lord, if you hear me, please hold my hand  
Oh, please understand  
Oh where has she gone to, oh, where can she be?  
She may have forsaken some other like me  
She promised to honor, to love and obey  
Each vow was a plaything that she threw away  
Alone and forsaken by fate and by man  
Oh Lord, if you hear me, please hold my hand  
Oh, please understand  
The darkness has fallen, the sky has turned gray  
The hound in the distance is starting to bay  
I wonder, I wonder what she's thinking of  
Forsaken, forgotten without any love  
Alone and forsaken by fate and by man  
Oh Lord, if you hear me, please hold my hand  
Oh, please understand  
Alone and forsaken by fate and by man  
Oh Lord, if you hear me, please hold my hand  
Oh, please understand  
Oh, please understand  
Oh, please understand
