Save Me

[Unwritten Law](#)

Had a bad day, don't talk to me
Gonna ride this out
My little black heart breaks apart
With your big mouth
And I'm sick of my sickness
Don't touch me, you'll get this
I'm useless, lazy
Perverted and you hate me
You can't save me
You can't change me
Well, I'm waiting for my wakeup call
And everything, everything's my fault
Went to the doctor and I asked her
To make this stop
Got medication, a new addiction
F*** thanks a lot
Had a relapse, I'm bad at rehabs
Ruins everything
So point your finger at the singer
He's in the pharmacy
You can't save me
You can't change me
Well, I'm waiting for my wakeup call
And everything's my fault
You can't save me
You can't blame me
Well, I'm waiting here to take the fall
And everything, everything's my fault

And I'm a death threat, haven't slept yet
Baby, why the wakeup call?
I'm the bad boy, tell the tabloids
Everything's my fault
Yeah, write it, write it
Everything's my fault
Everything's my fault
I went to Heaven but couldn't get in
For what I have done
I said, "Please take me", they said, "You're crazy"

You had too much fun
You can't save me
You can't change me
Well, I'm waiting for my wakeup call
Everything's my fault
You can't save me
You can't blame me
Well, I'm waiting here to take the fall
Everything, everything's my fault
You can't save me, you can't change me
(Everything's my fault)
You can't save me, you can't change me
(Everything's my fault)
You can't save me, you can't change me
(Everything's my fault)
You can't save me, you can't change me
Everything's my fault
