Run, Run

Jeremy Redmore

I got a feelinâ€™ itâ€™s about to end this time
Iâ€™ve seen you fightinâ€™ and the sinkâ€™s about to fly
Just hold your arms out, gimme a sign
Just put your hands up, love is on the line

She was an usher on the local movie floor
He wasnâ€™t anything, anything at all
But she thought she could make him grand
Be the prince that she wanted to hold her hand

Wish you would justâ€¦
Run run, run run baby, till thereâ€™s no one, no one cominâ€™
Thereâ€™s a lot to lose, when itâ€™s up to you
Just, run run, run run baby, till thereâ€™s no one, no one following
Itâ€™s all on you, make it straight and true

She was the daughter of a tycoon tennis star
Nothinâ€™ was good enough to satisfy by far
She married young, she married clean
But he was always after just, one, thing

She wasnâ€™t lookinâ€™ when the bank account went dry
He told his family, he would learn to fly
And the plane went down in the sea
Never recovering the body or the money

Wish you would justâ€¦
Run run, run run baby, till thereâ€™s no one, no one cominâ€™
Thereâ€™s a lot to lose, when itâ€™s up to you
Just, run run, run run baby, till thereâ€™s no one, no one following
Itâ€™s all on you, make it straight and true

I got a feelinâ€™ itâ€™s about to end this time
Iâ€™ve seen you fightinâ€™ and the sinkâ€™s about to fly
Just hold your arms out gimme a sign, gimme a sign
Run run, run run baby x4

Wish you would justâ€¦
Run run, run run baby, till thereâ€™s no one, no one cominâ€™
Thereâ€™s a lot to lose, when itâ€™s up to you

Just, run run, run run baby, till thereâ€™s no one, no one following
Itâ€™s all on you, make it straight and true
