# Kiss Me Kill Me

## Mest

One, two, three
A tragedy that's built on destiny
It left you with everything but
Blood from the knife that I cut your heart out with
Now relax, close your eyes, what comes next is the surpriseThis valentine is doomed
The smell of blood has filled this room
If I could do it all again
I would change most every single thingI would let youKiss me
Kill me
Your kiss is torture
But killing me would be too easyOur tragedy
Seems to be killing everything it sees
Like death itselfThis valentine still looms
In the darkest hour, the killing moon
If I could do it all againI would let youKiss me
Kill me
Your kiss is torture
But killing me would be too easyKiss me (You're all I'm wanting)
Kill me (This feeling's haunting)
Your kiss is torture
But killing me would be too easyKilling me would be too easyYour eyes unwind the tragedy of our lives
My eyes went blind
Believe when I sayHell burns bright
When this night diesHell burns brightKiss me
Kill me
Your kiss is torture
But killing me would be too easyKiss me (You're all I'm wanting)
Kill me (This feeling's haunting)
Your kiss is torture
But killing me would be too easyKiss me (You're all I'm wanting)
Kill me (This feeling's haunting)
Your kiss is torture
But killing me would be too easyKilling me would be too easyToo easy, too easy, too easy, too easy
