

Kiss Me Kill Me

Mest

One, two, three
A tragedy that's built on destiny
It left you with everything but
Blood from the knife that I cut your heart out with
Now relax, close your eyes, what comes next is the surprise This valentine is doomed
The smell of blood has filled this room
If I could do it all again
I would change most every single thing I would let you Kiss me
Kill me
Your kiss is torture
But killing me would be too easy Our tragedy
Seems to be killing everything it sees
Like death itself This valentine still looms
In the darkest hour, the killing moon
If I could do it all again I would let you Kiss me
Kill me
Your kiss is torture
But killing me would be too easy Kiss me (You're all I'm wanting)
Kill me (This feeling's haunting)
Your kiss is torture
But killing me would be too easy Killing me would be too easy Your eyes unwind the tragedy of our lives
My eyes went blind
Believe when I say Hell burns bright
When this night dies Hell burns bright Kiss me
Kill me
Your kiss is torture
But killing me would be too easy Kiss me (You're all I'm wanting)
Kill me (This feeling's haunting)
Your kiss is torture
But killing me would be too easy Kiss me (You're all I'm wanting)
Kill me (This feeling's haunting)
Your kiss is torture
But killing me would be too easy Killing me would be too easy Too easy, too easy, too easy, too easy
