VAMPIRE DEPRESSION

Vamps

I'm walking through your world
Enduring several thousand years
I sustained
Life from my immortalityWatching you
The folly of the human
Indiscriminately kill
Justifying endless warsI have traded the light
In exchange for this life from the dark
Just blind me
Set me free
Just blind me
Set me free
Just blind me!The height of absurdity
You people calling me the devil
But I can't
Carry out your self destructionThere is never meaning
History goes on repeating
I can't look
Just blind me
Set me free
Just blind me
Set me free
Just blind me!There is never meaning
History goes on repeating
I can't look
Anymore
AnymoreJust blind me
Set me free
Just blind me
Set me free
Just blind me!
