

All I Can Do

Mondo Generator

Threw the dust pan out now
I swept it under the rug
I got an hour or maybe a minute
I gotta get up, get up in it Well, it's all I can do
It's all I can do Left the dishes in the sink
For the past two weeks
Played my music too loud
The landlord wants me out now Well, it's all I can do
It's all I can do Won't take no calls now
Can't scrub your walls now
Won't help you with anything
Anything at all Won't take the trash out now
I ain't washing no cars
Can't walk your dog
I'm busy out at the bar Well, it's all I can do
Wasn't asking if it was good for you
It's all I can do
