

# Got the South In My Soul

## The Boswell Sisters

When the dark night starts falling  
And the moon starts to roam  
What is this thing that keeps calling?  
It's the south in my soulHow I long for that delta  
It's my home, it's my goal  
Oughta be safe in its shelter  
Got the south in my soulToo long I've lingered in the darkness  
No matter what I've won  
I wanna say goodbye to darkness  
Spend all my days in the sun  
Let me lie on that levee  
Let me burn black as coal  
I know my heart won't be heavy  
Got the south in my soul
