

# Hit the Road to Dreamland

Dean Martin

Bye bye baby  
Time to hit the road to dreamland  
You're my baby  
Dig you in the land of nod Hold tight baby  
We'll be swinging up in dreamland  
All night baby  
Where the little cherubs trot Well, look at that knocked out moon  
He's been a-blowing his top in the blue  
Never saw the likes of you Bye bye baby  
Time to hit the road to dreamland  
Don't cry baby  
It was divine but the rooster has finally crowed  
Time to hit the road Look at that knocked out moon  
He's been a-blowing his top in the blue  
Never saw the likes of you Bye bye baby  
Time to hit the road to dreamland  
Don't cry baby  
Well, it was divine but the cuckoo has finally crowed  
Time to hit the road, time to hit the road  
Time to hit the road
