Yes I Will

ê¹€í˜„ì¤‘

Yes I will
Yes I will
I'll be true to you yes I will
I'll be true to you yes I will
I won't look twice
When the other girls go by
I'll be true to you yes I will
Somehow this time it's all so clear to me
The way to go is easy to see
My heart is sure you're the girl I've waited for
I'll be true to you yes I will
Yes I will
I used to be the kind

Who said that every girl's the same
And love was just a game for having fun
But when I looked at you
I knew that I was wrong
And that I really could belong to only one
I'll be true to you yes I will
Every dream that you have I'll fulfil
I never promised this to any girl before
but I'll be true to you yes I will
I never promised this
to any girl before
but I'll be true to you yes I will
Yes I will Yes I will
Yes I will Oh yes I will
