Butter Toppin'

Evan Barlow

She's my coffee at 5 in the morning it makes me get through every day
She's the butter toppin' on my pancake, that makes me want to fly away

She's a beauty, Goddess with a booty
God couldn't get me away
She my lover, God how I love her
God never take her away

Oh Oh Oh Oh OH OH Oh-oh Oh-Oh-Oh-Oh OH Ohhh
Oh Oh Oh Oh OH OH Oh-oh Oh-Oh-Oh-Oh OH Ohhh

It's been a long road,
And we be walkin for a while but we can't stop now
Cause you know that my heart closed,
And we supposed to be together even when we're down
No woman no I pray that you never get away from me
I said I pray that you never get away from me
And I'll be eatin but my body keep
Tweakin' though I can't seem to keep shit down
But I love you through the hard times
Feelin' like we are done, Feelin' like we wanna run
I'll hold you through the rough times
Wakin' up every mornin', knowin' we gon' see the sun
Cause woman no I pray that you never walk away from me
Oh no I pray that you never walk away from me
My love, my one
I love her til the day I'm done, you know I will

She my baby, goddess in the making
God gave me lovin', he told me where to take it
She my lover, God how I love her
God gave me lemon, but I don't want another
My forever, God, my forever, God, my forever yeahhh

My sunshine, my rain-blockin' beauty don't leave my side

Oh Oh Oh Oh OH OH Oh-oh Oh-Oh-Oh-Oh OH Ohhh
Oh Oh Oh Oh OH OH Oh-oh Oh-Oh-Oh-Oh OH Ohhh

We've been together for a while now,

We put in time but I still cannot see what's up on your mind
Can you tell me how we fine, now?
Or should I find another place to lay my head down
Cause I cannot feel that love anymore
The love we had was strong enough to make a man brag
Was it a fad, built it from nothin' and we put it on the map
But it ain't nothin' to take that lovin' back

I was tryna build a home.
Somethin' we could own.
I thought I found the greatest love that I had ever known
I was tryna be the one, the one to turn you on
The one you thought of every single night and every morn'
And then it was not a lie
I love you all the time
And every day I woke it was you that was on my mind
Did you tell me was it lies?
Did we feel the same inside?
Cause I love you, I love you, I love you, I love you
We'll sing it now

She my baby, Goddess in the making
God gave me lovin', it's only where to take it
She my lover, God how I love her
God gave me lemon, but I don't want another
My forever, God, my forever, God, my forever yeahhh

My sunshine, my rain-blockin' beauty don't leave my side

She my coffee at 5 in the mornin'

Oh Oh Oh Oh OH OH Oh-oh Oh-Oh-Oh-Oh OH Ohhh
Oh Oh Oh Oh OH OH Oh-oh Oh-Oh-Oh-Oh OH Ohhh
