

pieces mended.

The Used

Being faced with what I'm faced with I feel
like i can't rock
like a rock hit my heart
Started to chain the day
and exploded into piecesMarry me
stay the same
lie to me and try to say you never will(x2)I've got a feeling in my gut now fills me
with so much hope
said fuck it I'm fine
dine and dashed
the pianist peddled into morning
