

No Gods, No Masters

Arch Enemy

Here I am, back to the wall,
I picked the fight against the time,
Free at last I go my own way,
I will resist them, till the day I die,
I am who I am; my time has come. I am who I am, take it or leave it,
A rebel at heart,
No gods, no masters,
My time has come. There is no sacred place,
No perfect world,
Your head is whole,
Freedom in your heart,
Be strong; take this chance,
Make your way; a better future comes.
I am who I am; my time has come. I am who I am, take it or leave it,
A rebel at heart,
No gods, no masters,
My time has come.
No gods, no masters. What doesn't kill us make us stronger.
Locked and loaded ready to strike,
You stand loud and proud, united as one. I am who I am, take it or leave it,
A rebel at heart,
No gods, no masters,
My time has come.
