Horror

Babylon Motorhome

There's a red worm crawling in my head
Cut in half worm, in my blood he lies red
And I see him in my head
It's my nightmare, oh it's my dream
He's inside here silencing my screams
Alone on a razor's edge
Alone sliding on the razor's edge

I'm the horror on the edge
Cause I, I'm the worm that cometh
I am him I am hell, I am god, I'm the devil all in one
The eyes that hide the face inside
Come stare into my eyes

A killer's listening to horrors in my head
He's bleeding, sliding on the razor's edge
Through my eyes he watches me
He lies inside watching me
There's a red noise deep inside my head
An obscure noise and the smell of slow death
If there's a hell then I'll be there

I am god, obscene death
I'm the worm on razor's edge
All pigs die
Kill, fuck, die

I am hell, godless me
I am pagan idolatry
Kneel before the horror
Kneel before the horror
Fuck me, kill me, drink my blood
Fuck me, kill me, drink my blood
All pigs die, kill, fuck, die

I'm the horror on the edge
Cause I, I'm the worm that cometh I am him I am hell
I am god, I'm the devil all in one
The eyes that hide the face inside
Come stare into my eyes
