Hallelujah

Kate Voegele

Well I've heard there was a sacred chord
David played and it pleased the Lord
But you don't really care for music, do ya?Well it goes like this, the fourth, the fifth
The minor fall and the major lift
The baffled King composing HallelujahHallelujah, Hallelujah
Hallelujah, HallelujahWell, your faith was strong but you needed proof

Her beauty and the moonlight overthrew youAnd she tied you to her kitchen chair She broke your throne and she cut your hair

You saw her bathing on the roof

And from your lips she drew the HallelujahHallelujah, Hallelujah Hallelujah, HallelujahWell baby I have been here before

I've seen this room, and I've walked this floor

You know I used to live alone before I knew yaAnd I've seen your flag on the marble arch

And love is not a victory march

It's a cold and it's a broken HallelujahHallelujah, Hallelujah, yea Hallelujah, HallelujahWell there was a time when you let me know What's really going on below

But now you never show that to me, do ya?And remember when I moved with you

The holy dove was moving too

And every breath we drew was HallelujahHallelujah, Hallelujah HallelujahWell maybe there is a God above

But all I ever learned from love

Was how to shoot somebody who outdrew youAnd it's not a cry that you hear at night

It's not somebody who's seen the light

It's a cold and it's a broken Hallelujah, ohHallelujah, oh Hallelujah Hallelujah, Hallelujah, Hallelujah Hallelujah, Hallelujah
