Midnight Train

Sam Smith

I choose me, and I know that's selfish, love
You are a dream, and I can't thank you enough
But I give another piece of me away
Every waking day that I'm with you
Am I a monster? What will your family think of me?
They brought me in, they helped me out with everything
But I give a little piece of me away
Every single daySo I pick up the pieces, I get on the midnight train
I got my reasons, but darling I can't explain
I'll always love you
But tonight's the night I choose to walk away
Bah-bah, doo, bah-bah, doo
Bah-bah, doo, bah-bah, dooLove you so much that I have to let you go
I'll miss your touch and the secrets we both know
But it would be wrong for me to stay
And I'll just give you hope
So I pick up the pieces, I get on the midnight train
I got my reasons, but darling I can't explain
I'll always love you
But tonight's the night I choose to walk away
I can't stop crying, I hate that I've caused you pain
But I can't deny it, I just don't feel the same
I'll always love you
But tonight's the night I choose to walk away
Bah-bah, doo, bah-bah, doo
Bah-bah, doo, bah-bah, doo
So I pick up the pieces, I get on the midnight train
I got my reasons, but darling I can't explain
I'll always love you
But tonight's the night I choose to walk away
