

Six Feet Under The Stars (Insotre Japan)

All Time Low

Time to lay claim to the evidence
Fingerprints sell me out but our footprints' washed away
From the docks downtown
It's been getting late for days
And I feel myself deserving of a little time off We can kick it, hang for hours
And just mouth off about the world
And how we know it's going straight to hell Pass me another bottle, honey
The Jager's so sweet
But if it keeps you around, then I'm down Meet me on Thames Street, I'll take you out
Though I'm hardly worth your time
In the cold you look so fierce
But I'm warming up because the tension's like a fire We'll hit South Broadway in a matter of minutes
And like a bad movie I'll drop a line
Fall in the grave I've been digging myself
But there's room for two, six feet under the stars I should have known better than to call you out
(On a night like this, night like this)
If not for you, I know I'd tear this place to the ground
(But I'm alright like this, alright like this)
I'm gonna roll the dice before you sober up and get gone
I'm always in over my head Thames Street, I'll take you out
Though I'm hardly worth your time
In the cold you look so fierce
But I'm warming up because the tension's like a fire We'll hit South Broadway in a matter of minutes
And like a bad movie I'll drop a line
Fall in the grave, I've been digging myself
But there's room for two, six feet under the stars Time to lay claim to the evidence
Fingerprints sell me out
But our footprints' washed away
I'm guilty but I'm safe for one more day Overdressed and underage
Do you really need to see an ID?
This is embarrassing as hell
But I can cover for it so well
When we're six feet under the stars Thames Street, I'll take you out
Though I'm hardly worth your time
In the cold you look so fierce
But I'm warming up because the tension's like a fire We'll hit South Broadway in a matter of minutes
And like a bad movie I'll drop a line
Fall in the grave I've been digging myself
But there's room for two, six feet under the stars Six feet under the stars

Six feet under the stars
