

Gimme Danger

Iggy Pop

Gimme danger, little stranger
And I feel with you at ease
Gimme danger, little stranger
And I feel your disease There's nothing in my dreams
Just some ugly memories
Kiss me like the ocean breeze Now, if you will be my lover
I wish you were insane
But you can't be my master
I will do you anything There's nothing left alive
But a pair of glassy eyes
Raise my feelings one more time Find a little stranger
Find a little stranger
Say you're gonna feel my hand Say, gotta gimme danger, wild little stranger
Honey, gonna feel my hand
Swear, you gonna feel my hand
Swear, you gonna feel my hand Gimme danger
Little stranger
Gimme danger
Little stranger Gimme danger
Little stranger
Gimme danger
Little stranger Gimme danger
Gimme danger
[Incomprehensible]
Little stranger
