Pitch Black Water

Flowing Tears

cry, wake the sleeping lie
pray I'm always there for you
beware of youdie, agony inside
pray the rain will fall on you
it's all for youwill I punish your heaven?
will I be there to go with you?
will I bury the raven?
and will I stand to watch you burn?say will we dive in the water?
say will I die in your water?
say will I cry for this moment to live?
say will I cry for the water?cry, swear to walk in line
pay the ones who steal your heart
in dreams apartdie, melodies all mine
prey the dawn will be your guard
so free to startwill I punish your heaven?
will I be there to go with you?
will I bury the raven?
and will I stand to watch you burn?say will we dive in the water?
say will I die in your water?
say will I cry for this moment to live?
say will I cry for the water?
