## Black Uhuru

You bum right here and you  
bounce over there sponji reggae  
I say you bum right here and  
you bounce over there  
sponji reggae  
I say you rock right here and  
you rock over there sponji reggae  
I say you punch right here and you  
punch over there sponji reggae  
A keep trying very hard to succeed  
I almost lost my reflex  
My barefeet was burn  
That I almost lost my nerves  
My fingers are shaking as the  
day start breaking  
I could a never keep it no longer  
I had to tell it to one another  
Chorus: You bum right here  
Some say I am nuts zooky crazy  
Want I to leave the music alone  
They say go and look work  
I and I are lazy  
But I think for a while and  
say to my self  
It's a time for every style  
Chorus: I may not be a movie star  
I don't drive a big fancy car  
I can afford only a Winchester cigar  
From the day I was born and  
given life  
I and I a actor genius name it  
Genuine character  
Chorus:
