

Abnormally Attracted to Sin

[Tori Amos](#)

Impeccable peccadillo
You are off your guard
Pussy willow calls there by the church
Don't go in if you are Abnormally attracted to sin
Abnormally attracted to sin She may be dead to you
But her hips sway a natural kind of faith
That could give your lost heart a warm chapel
You'll sleep in her bell tower and you will simply wake Abnormally attracted to sin
Abnormally attracted to sin Impeccable peccadillo
I know who you are Tales of longing sway lost without a verse
Hymns of swing lay low there by the church
Don't go in if you are Abnormally attracted to sin
Abnormally attracted to sin She may be dead to you
Kind of faith that could give
Attracted to sin, to sin, to sin
