

Simple Pages

Weezer

Gimme some love, gimme some love
Gimme some I want you to know
Gimme some love, gimme some love
Sugar thats the wrong wrong way to go Open your arms, open your arms honey
And come right back home to me
Gimme some love, gimme some love
Sugar thats the wrong wrong way to be Can't you see, where to be this time
Simple pages on my mind Kick it on back, kick it on back
Kick it on back to what you know
Gimme some love, gimme some love
Sugar on the hard rock radio When they play tunes, when they play tunes
When they play riffs of the hard rock beat
Gimme some love, gimme some love
Sugar from the drop with the old school beat Can't you see, where to be this time
Simple pages on my mind Gimme something I can believe, oh baby Can't you see, where to be this time
Simple pages on my mind Kick it on back, kick it on back
Kick it on back to what you know
Gimme some love, gimme some love
Sugar on the hard rock radio So gimme some love, gimme some love
Gimme some love, gimme some love, gimme some Can't you see, you're just me
Turn these pages of my mind, oh, oh
