Please Don't Tease

The Donnas

Baby, do you think
That sometime maybe
We can go out
You don't have to be such a boy scoutWhat you're givin' is not enough
So baby, I'll call your bluff'Cause you're just a tease
Baby, please don't tease
I'm gettin' down on my knees
Baby, please don't tease
C'mon and give it to meHey now, I'm gonna get
With you somehow
I'm on a mission
I gotta get your permissionYou shouldn't try to look so good
If you don't wanna be misunderstood'Cause you're just a tease
Baby, please don't tease
I'm gettin' down on my knees
Baby, please don't tease
C'mon and give it to meDon't act like you really want it
'Cause we're never gonna get down on itIf you're just a tease
I'm gettin' down on my knees
If you're just a tease
C'mon and give it to me
Baby, please don't teaseBaby, please don't tease
I'm gettin' down on my knees
Baby, please don't tease
C'mon and give it to me
