

# We Don't Need Another Hero

[Hannah Kirby](#)

Out of the ruins, out from the wreckage  
Can't make the same mistake this time  
We are the children, the last generation  
We are the ones they left behind And I wonder when we are ever gonna change it  
Living under the fear till nothing else remains We don't need another hero  
We don't need to know the way home  
All we want is life beyond the thunderdome Looking for something we can rely on  
There's got to be something better out there  
Love and compassion, their day is coming  
All else are castles built in the air And I wonder when we are ever gonna change it  
Living under the fear till nothing else remains All the children say, "We don't need another hero  
We don't need to know the way home  
All we want is life beyond the thunderdome" So what do we do with our lives?  
We leave only a mark  
Will our story shine like a life  
Or end in the dark? Is it all or nothing? We don't need another hero, hero  
We don't need to know the way home  
All we want is life beyond the thunderdome All the children say, "We don't need another hero  
We don't need to know the way home  
All we want is life beyond the thunderdome"
