

Ruckus the Dog

Kardinal Offishall

Not one of them big mean dogs I'm a friendly dog. I'm Ruckus the dog, I'm cool with everybody from the snakes to the frogs. I'm best for the test when I'm on all fours. Big shaggy hair like mops for the floors. Some times I hope and I just don't stop or I slither on the ground till I reach the top. I like swimming and howling at the moon. Its a lot of fun, Its like my own tune. Get up on my house with my nose to the sky take a deep breath and let out my cry! Yup that's my song, and every night I sing it out all night long. Im Ruckus the Dog not a chicken or a penguin or a snake or a frog, Ruckus the Dog come along and sing my song. I take little naps when my energy is ready sometimes on my back sometimes on my belly skip along the friends the the park that i like and i breathe in hard and i howl all night. Then i look in a chase there's my friend Chloe and shes of in a Haste (Laughs that's funny but what bout rabbit i like running and playing its sorta like a habbit. It keeps me god in tip top shape and in the race i will be the first one breaking through the tape, Yep that's my song and every night i sing it out all night long. Im ruckus the dog not a chicken or a penguin or a snake or a frog ruckus the dog come along and sing song. You can see me on green grass hill and in my dog house thats where i like to chill i got buddies from penguins to dinasours they can teach how to waddle when my paws are sore penguins can't fly, They flap there wings you can all flap around when you hear me sing. Yup im your best friend if you look hard you might see me hooping around the Ben Its a hole lot of hair and a hole lots of fun its like when your at the beach and your waving at the sun. Yup that's my song and every night i sing it out all night long, I'm ruckus the dog not a chicken or a penguin or a snake or a frog Ruckus the Dog and i would like to beee your best friend to the hen now not a chicken or a penguin or a snake or a frog Ruckus The dog come along and sing my song.
