

Not Me

The Ethiopians

Not me, no, not me
Not me, no, not me You can't have me
Because you don't please me
The way you act, child
Could out-run any man wild Not me, no, not me at all
Not me, no, not me You got to get down, down, down
Down on your knees and pray
You got to get down, down, down
Down on your knees and change Not me, no, not me at all
Not me, no, not me You can't have me
Because you don't please me
The way you act, child
Could out-run any man wild Not me, no, not me at all
No, not me You got to get down, down, down
We got to get
Down, down down
Down, down down
Down, down down
